Unit C05 in block BK18/19, Royal Road,
Coromandel, Mauritius.

A blacksmith is shown working with a glowing piece of iron in a furnace. The scene is illuminated by the intense heat of the fire, creating a warm, orange glow. The blacksmith's hands are visible, holding a long metal rod that is being heated in the furnace. The furnace is filled with dark, glowing coals and a large, bright flame. The background is dark, emphasizing the bright light of the fire.
